SYNOPSIS

MOTIVATION

Why are you applying to the Filmmakers Boot Camp?

MAIN TITLES

Briefly describe any experience you have in planning, shooting or editing video, whether in school or on your own. (It's okay if you don't have any.)

IN PRODUCTION

If you are currently a student, where and in what year?

SPOTLIGHT

Have you ever acted before? If so, where and in what size role?

HOT PROPERTY

Please attach a two-page script. Use characters your own age and settings you know you can make work on a college campus. Avoid complex props and effects you can't pull together quickly. Have something to say. Be constructive rather than destructive. Avoid spoofs and parodies. Dare to be personal.
